Would you like more programs for your DIGI-COMP 1

If you would . . . A collection of 50 games and special programs submitted by DIGI-COMP 1 owners has been assembled in a new book.

DIGI-COMPS 1 ROMPS

All problems are fully programmed and many are developed in the mathematics of computers (as explained in the advanced book "Detailed Programming of the Experiments in the DIGI-COMP Manual" described on the back of the Instruction book).
